To

All Officers indenting for supplies of stationery articles and forms and registers from the Government Stationery Depot, Bangalore.

The undersigned desires to invite the attention of all the officers indenting for supplies of stationery articles and forms and registers from the Government Stationery Depot to paras (1) and (2) of Government Order No. G. 9098-148—P. & S. 12-35-6, dated 6th May 1936, an extract of which is appended for facility of reference, stating that in view of the relaxation of the Economy order raising the supply of essential stationery and forms to 75 per cent of the full quantities from the year 1935-36 there will be no need hereafter to sanction advance or additional supplies except in very exceptional cases. In the circumstances, all indenting officers are requested to regulate their consumption of stationery articles and forms and registers during the year and to avoid sending requisitions to the Stationery Depot for advances and additional supplies as it will not be possible for this office to comply with them in contravention of the directions contained in the Government Order referred to.

B. SRINIVASA IYENGAR,
Superintendent.

Extract of Order No. G. 9098-148—*P. & S.* 12-35-6, *dated Bangalore, the 6th May* 1936.

Government are pleased to approve of the recommendation of the Superintendent of Stationery that the supply of essential articles of stationery, forms and registers be continued during 1936-37 at 75 per cent of the full quantities fixed in the standing list.

In view of the considerations urged by the Superintendent of Stationery for making an increased provision in the Budget under "Cost of Printing Paper and Stationery" for 1936-37, a sum of Rs. 1,50,000 has been provided in the Budget which is equal to the revised for the current year. Government are of opinion that the need for economy still continues. They expect that the relaxation of the Economy order which raises the supply of essential forms and stationery to 75 per cent of the quantities and which comes into full effect during the next official year will satisfy the normal requirements of all offices and that hereafter there will be no need to sanction advance or additional supplies except in very exceptional cases.
